Bangkok, Thailand

SUMMARY

Dedicated and adaptable Full Stack Development bootcamp graduate with expertise in HTML, CSS, JavaScript, React, Bootstrap, and Github. Eager to kickstart a career in Front-End Development, blending technical proficiency with a strong foundation in business operations and management. Committed to delivering top-tier web solutions and driving user-centric experiences.

SKILLS

- HTML 5
 - CSS 3
 - JavaScript
 - React
 - Bootstrap
 - Github
 - ChatGPT
-

EXPERIENCE

Operation | Fedex, Bangkok 2022

Intern Operation

2022

My internship at FedEx provided hands-on experience in warehouse management, delivery driving, package sorting, and quality control. Working collaboratively with my team, I honed my skills in these key areas, contributing to FedEx's reputation for efficient and high-quality logistics services.

Digital Marketing

Content writer

2023

As a content writer, I excelled in creating compelling articles and web content, engaging readers and enhancing online visibility. In addition, I also utilized wordpress in my work to access information and conduct research, enhancing the value of the content I produced for the organization.

EDUCATION

Bootcamp | June 2023-Present
